Dear Ms. ~~Stuckelberger~~,

3 September 1999

As called for in General Assembly resolution 52/80, four plenary meetings of the upcoming fifty-fourth session will be devoted to the follow-up to the International Year of Older Persons. The dates of 4 and 5 October 1999 have been set aside for this purpose. Member States have been asked to send representation at a high level to these meetings.

In addition, during the second day of the plenary, time is being set aside for an NGO forum, when international NGOs who have been instrumental in promoting the Year will be given the opportunity to address the General Assembly.

On this special occasion during the International Year of Older Persons, and in recognition of the contribution that the Geneva NGO Committee on Ageing has made over the years to our work, I have great pleasure in inviting you to attend these plenary meetings of the General Assembly.

I would appreciate it if you could confirm as soon as possible whether you will be able to attend. With best regards,

Yours sincerely,
