Prof Astrid Stuckelberger
Université de Genève

Dear Prof Stuckelberger,

Subject: Hearing to the EGE Members during their 45th meeting of May 17, 2011 in Brussels.

On behalf of the European Group on Ethics in Science and New Technologies, I would like to thank you for the excellent presentation given on May 17, 2011. Your presentation and participation in the ensuing discussion provided a significant input to the development of our Opinion on this subject.

We particularly appreciated the efforts you had made to answer in a clear and comprehensive way the questions during the meeting.

Thanks to your participation the meeting was a considerable success.

Yours sincerely,

Julian Kinderlerer
President of the European Group of
Ethics in Science and New Technologies (EGE)
