

Klaus Niederländer  
Director  
AAL Programme Central Management Unit  
Rue du Luxembourg 3  
BE-1000 Brussels

Brussels, March 11th 2020

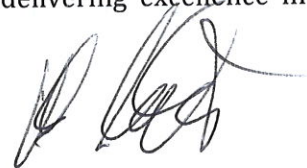

**To Whom it May Concern**

**Recommendation Letter for Dr Astrid Stuckelberger**

We hereby certify that Dr Astrid Stuckelberger has been actively involved in the **AAL Programme\*** since 2010 until now.

She has acted both as *expert evaluator and reviewer in the scope of the AAL Call evaluation process* as well as in the *project review process* and on *ad hoc missions* where her expertise in end users' involvement as well as in regulation, privacy and ethical issues has always been greatly appreciated.

We are very pleased with her performance and professional attitude. Therefore, we highly recommend her abilities and expertise for managing and delivering excellence in any similar assignments.

Klaus Niederländer, Director  
AAL Central Management Unit

**\*AAL Programme:** *The Active and Assisted Living (AAL) Programme is a funding programme that aims to create better quality of life for older people and to strengthen industrial opportunities in the field of healthy ageing technology and innovation. AAL is co-financed by the European Commission (through Horizon 2020) and 17 countries.*

*More information is available on the AAL website: <http://www.aal-europe.eu/>*
