Dear Ms Stuckelberger,

The ERC has been congratulated for the quality and the expediency of the reviews it carries out. The ERC Secretariat realizes that this is due to the dedication and hard work of its Committee members. Therefore, on behalf of the Secretariat, I would like to thank you for your contribution to the work of the ERC. We are conscious of the fact that much of this contribution is over and above your other professional responsibilities and we are pleased to put on record our appreciation of your inputs.

In one of our earlier meetings, a request was placed by the Committee to the secretariat, to provide a breakdown of the number and type of reviews carried out by each member for their personal record. Accordingly, a copy of a report on your contribution to the work of the Committee in 2005 is enclosed.

Yours sincerely,

Dr T. Pang
